

Ycona Luxury Resort
Zanzibar

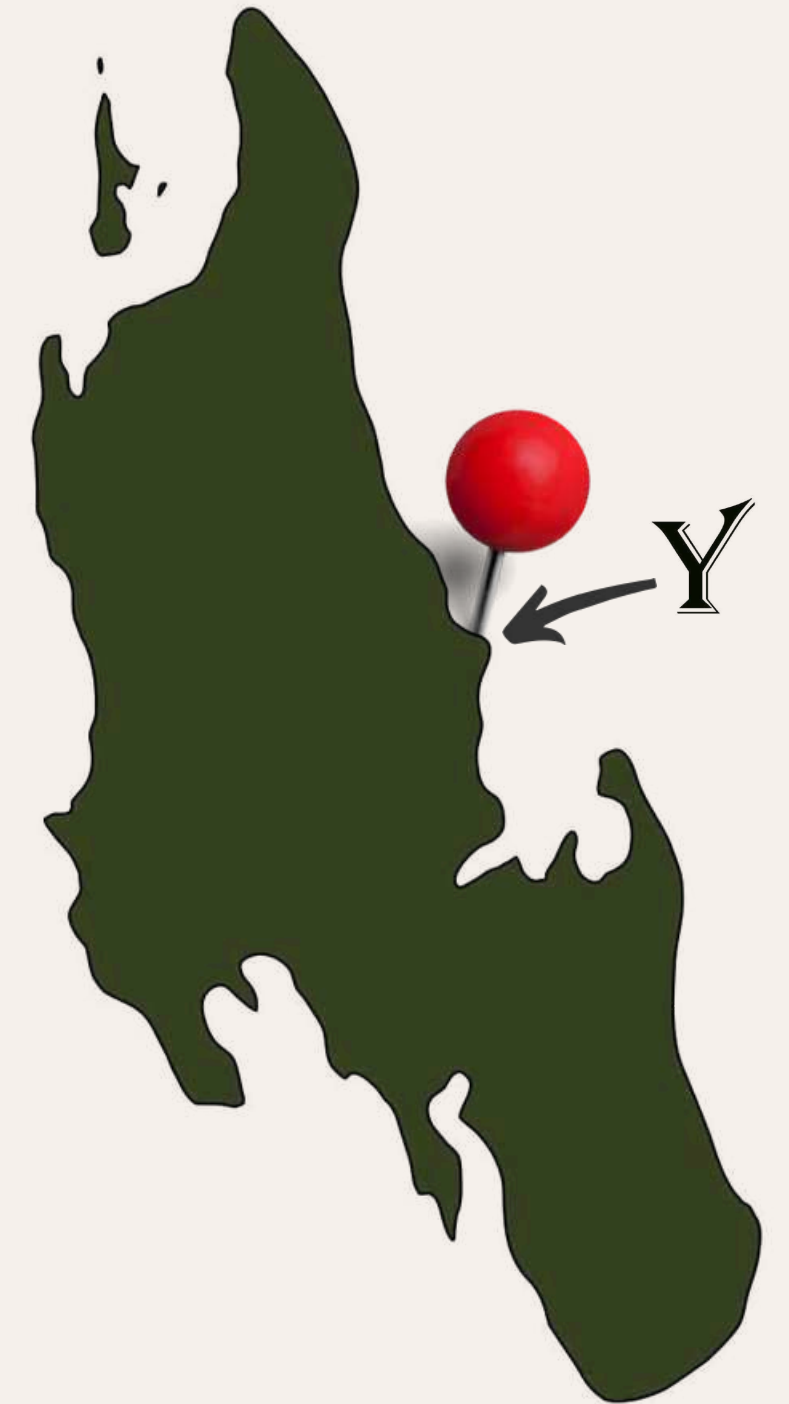

Y Location

Located along the East Coast of Zanzibar, Ycona watches over a 500m long, white, sandy, soft, private bay in the North of Marumbi. The beach there offers exceptional sand banks.

The resort owns over 60,000 sqm of unspoiled tropical jungle, overlooking the turquoise water of the Indian Ocean.

Ycona guarantees an unforgettable African experience, blending world-class comfort with modern touches, and creating the perfect escape for those who appreciate lifestyle, quality, and tropical paradise.

Y Resort Map

Our luxurious private villas are fully equipped to make your dream vacation a reality, allowing you to enjoy complete comfort and privacy without ever leaving your villa.

That said, we encourage you to explore our beautiful resort and experience everything it has to offer. Ycona features a wide range of Yconic onsite experiences designed to suit every interest. Guests can enjoy our pristine white-sand private beach, swimming pool, four restaurants, three bars, and tranquil tropical lakes, home to our wellness centre and spa.

Additional facilities include indoor and outdoor gyms, a yoga patio, scenic jungle trails for jogging or biking, a boutique, and beautifully curated spice and botanical gardens, where complimentary guided tours are offered daily. A dedicated kids' area is also available, ensuring a memorable stay for guests of all ages.
